Always The Last To Know (2009) About book: Super cute chick lite romance, fast read but made me laugh quite a bit. Jess is the maid of honor for her best friend's wedding and forced into a terrible southern purple dress with ruffles, hoops and a parasol. The only consolation is Riley, her best friend's brother who she has known forever and he has to wear a purple tux with ruffles to walk his sister down the aisle. Jess and Riley have a love hate intense relationship, their fights are epic.

General Comment I like the fact that, at least in this song, the thing he's most worried about is being 'the last to know'. That he's concerned about whether she's 'happy now', or whether 'he's cruel'.
