Borderline Personality Disorder Demystified, Revised

Below are the symptoms of borderline personality disorder according to government guidelines (National Institute for Health and Clinical Excellence [NICE] 2009).

Understanding borderline personality disorder - Mind

Friedel dedicates his book to his sister, Denise, who suffered from borderline personality disorder. She died much too early from one of the common complications and comorbidities of her disease. And there are many—substance abuse, mood disorders, eating disorders, panic attacks, and posttraumatic stress disorder.
