

creating judaism history tradition pdf

Creating Judaism is not an introduction to these texts as such, but Satlow finds a nice balance between presenting religion, literature, and history of the sort that will be especially welcome in courses in religious studies departments.

Creating Judaism: History, Tradition, Practice. By Michael

Creating Judaism is a work of uncommon synthesis that draws upon frameworks provided by the academic study of religions to offer a sympathetic and insightful overview of the nature and development of Judaism from ancient to modern times.

Creating Judaism | Michael L. Satlow

Michael L. Satlow offers a fresh perspective on Judaism that recognizes both its similarities and its immense diversity. Presenting snapshots of Judaism from around the globe and throughout history, Satlow explores the links between vastly different communities and their Jewish traditions.

Cloth, \$69.50. Paper, \$24.50. While Michael Satlow of Brown University does not explicitly state that his new volume, *Creating Judaism: History, Tradition, Practice*, is intended to be a textbook for an Introduction to Judaism course, the tone and structure of the book both indicate that the classroom is its most natural context.

Living Judaism: The Complete Guide to Jewish Belief

Humanistic Jews believe in creating a meaningful Jewish life free from supernatural authority and in reviving the secular roots of Judaism. It should be noted, however, that secular Judaism is a relatively new phenomenon. Humanistic Judaism embraces a human-centered philosophy that combines the celebration of Jewish culture and identity with adherence to humanistic values.
