Name etymology. Lutsk is an ancient Slavic town, mentioned in the Hypatian Chronicle as Luchesk in the records of 1085. The etymology of the name is unclear. There are three hypotheses: either the name may have been derived from the old-Slavic word luka (an arc or bend in a river), or the name may have originated from Luka (the chieftain of the Dulebs), an ancient Slavic tribe living in this area.

Green anarchism (or eco-anarchism) is a school of thought within anarchism which puts a particular emphasis on environmental issues. A green anarchist theory is normally one that extends anarchist ideology beyond a critique of human interactions, and includes a critique of the interactions between humans and non-humans as well. This often culminates in an anarchist revolutionary praxis that is ...
