Intersectionality - Wikipedia

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.

Introduction to Modern Literary Theory - Kristi Siegel

Critical theory is a school of thought that stresses the reflective assessment and critique of society and culture by applying knowledge from the social sciences and the humanities. As a term, critical theory has two meanings with different origins and histories: the first originated in sociology and the second originated in literary criticism, whereby it is used and applied as an umbrella term ...

The Problem with Intersectional Feminism. by Helen Pluckrose; Posted on February 15, 2017 December 31, 2017; Those of us committed to social justice are accustomed to being told that intersectional feminism with its focus on critical race theory, queer theory and anti-ableism is the key. Only intersectionality, we are assertively informed, really listens to the experiences and needs of women ...

But, I heard that TERF is a slur! The TERF is a slur meme is a way for TERFs to simultaneously attack and dismiss critiques of their ideology and behavior. Recently, a cisgender feminist used the term TERF and was immediately attacked "not for the observations she actually made" but for daring to distinguish between radical feminists and TERFs.
