Gender identity is the personal sense of one's own gender. Gender identity can correlate with assigned sex at birth, or can differ from it. All societies have a set of gender categories that can serve as the basis of the formation of a person's social identity in relation to other members of society. In most societies, there is a basic division between gender attributes assigned to males and ...

Gender identity - Wikipedia

Transgender people have a gender identity or gender expression that differs from their assigned sex. Transgender people are sometimes called transsexual if they desire medical assistance to transition from one sex to another. Transgender is also an umbrella term: in addition to including people whose gender identity is the opposite of their assigned sex (trans men and trans women), it may ...

NEW ENCHANTMENT IS ALL ABOUT US. Beatrice Walditch. In Enchantment is All About Us Beatrice Walditch reveals that much of the what we often think of a real in the modern world is an enchantment woven by profit-driven businesses and nefarious politicians. Drawing upon a wide range of traditional worldviews, she sets out ways of mentally 'banishing' such pervasive enchantments and empowering the ...
