Target Audience. This course is intended for students wishing to prepare for the CompTIA Security+ Certification Exam. The qualification is aimed primarily at networking professionals, but because security is vital to all levels and job roles within an organization, it will also benefit PC support analysts, application developers and senior managers in accounting, sales, product development ...

CyberSecurity Training Courses | New Horizons

Security is freedom from, or resilience against, potential harm (or other unwanted coercive change) from external forces. Beneficiaries (technically referents) of security may be persons and social groups, objects and institutions, ecosystems, and any other entity or phenomenon vulnerable to unwanted change by its environment.
