You may legally carry or mail any amount of money you want into or out of the United States, but if it is more than \$10,000 at one time, you better first report it to U.S. Customs and Border Protection. Otherwise, you risk U.S. Customs taking it from you, and never getting it back. Why? Because the failure to report the international transportation of money is a violation of the Currency and ...

Custom in law is the established pattern of behavior that can be objectively verified within a particular social setting. A claim can be carried out in defense of "what has always been done and accepted by law." Related is the idea of prescription; a right enjoyed through long custom rather than positive law.. Customary law (also, consuetudinary or unofficial law) exists where:

1. Early Developments. 3 The origins of war crimes can be found in the traditional laws of war, today called international humanitarian law; these laws regulate the conduct of armed conflicts whose rules were derived from international conventions and customary international law. The evolution of war crimes is part of the progressive development and codification of international humanitarian ...
