cut your costs before pdf
big cost-cutting strategies: • If you're paying high interest on a mortgage and you plan to stay in your home for a few years, consider refinancing. Be sure to do your home-work to avoid closing costs that might make the move less attractive financially. • Reduce your credit card debt. Call the bank and try to negotiate lower finance charges.

Cost Cutting Tips - AARP
Reduce paper weight whenever possible when printing and mailing. Paper can cost up to 30% of your printing job, so using inexpensive paper is a good way to stretch your budget. Using lower-weight paper will also reduce your postage costs. 3. Make maximum use of your board of directors.

25 Ways to Cut Costs - Valley Nonprofit Resources
To minimize these costs, look at the real expenses involved with any sport or activity before you let your children sign up. Meanwhile, keeping kids in only one activity at a time can also help you save as much as possible.
