CONFLICT OF LAWS ISSUES IN INTERNATIONAL COPYRIGHT CASES

Boston College Law School is among the nation's best law schools. Our success is based on a tradition of educating lawyers through theory and practice, shaping leaders prepared to grapple with society's most important moral and ethical questions.

Home - Law School - Boston College

International law is the set of rules generally regarded and accepted in relations between nations. It serves as a framework for the practice of stable and organized international relations. International law differs from state-based legal systems in that it is primarily applicable to countries rather than to individual citizens. National law may become international law when treaties permit ...
