Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. While some sociologists conduct research that may be applied directly to ...

Legal and social background Medieval to Early Modern period. The Poor Law Act of 1388 was an attempt to address the labour shortage caused by the Black Death, a devastating pandemic that killed about one-third of England's population. The new law fixed wages and restricted the movement of labourers, as it was anticipated that if they were allowed to leave their parishes for higher-paid work ...
