Diplomacy is the art and practice of conducting negotiations between representatives of states. It usually refers to international diplomacy, the conduct of international relations through the intercession of professional diplomats with regard to a full range of topical issues. International treaties are usually negotiated by diplomats prior to endorsement by national politicians.

### **Diplomacy - Wikipedia**

In international politics, protocol is the etiquette of diplomacy and affairs of state. It may also refer to an international agreement that supplements or amends a treaty. A protocol is a rule which describes how an activity should be performed, especially in the field of diplomacy. In diplomatic services and governmental fields of endeavor protocols are often unwritten guidelines.

After raising \$2,121,465, Strongholds & Followers might be the most anticipated Kickstarter RPG (at least until the next record is broken). Of course, the bulk of the money raised went to the "Streaming" part of the Kickstarter so creator Matt Colville could get a proper studio for his very popular YouTube channel.
