Content : Using traditional Zen stories and responding to seekers' questions, Osho shows how man must first be grounded in himself before he can fly into the sky of consciousness. Osho takes the reader from subjects as diverse as food, jealousy, businessmen and enlightenment, to how to know if one needs a master, the barriers we create through fear, and gratitude.

Background. Though Joseph Smith, the founder of the Latter Day Saint movement, never used the term "Adam–God" in any of his recorded public statements, he provided several teachings from which the doctrine's adherents draw support. For example, Smith taught in an 1839 sermon that Adam was actually the archangel Michael, who held the First Presidency in the premortal life.
