

discussion the process of pdf

Speedy deletion. The speedy deletion process applies to pages which meet at least one of the criteria for speedy deletion, which specify the only cases in which administrators have broad consensus support to, at their discretion, bypass deletion discussion and immediately delete Wikipedia pages or media.. Before deleting a page through the speedy deletion process, verify that it meets at least ...

The Haber process, also called the Haber-Bosch process, is an artificial nitrogen fixation process and is the main industrial procedure for the production of ammonia today. It is named after its inventors, the German chemists Fritz Haber and Carl Bosch, who developed it in the first decade of the 20th century. The process converts atmospheric nitrogen (N₂) to ammonia (NH₃) by a reaction ...
