A plague doctor was a medical physician who treated victims of the bubonic plague. In times of epidemics, such physicians were specifically hired by towns where the plague had taken hold. Since the city was paying their salary, they treated everyone: both the wealthy and the poor. However, some plague doctors were known to charge patients and their families additional fees for special ...

Luke is the author of the third Gospel and the book of Acts is of special interest for several reasons. He was the only Gentile who wrote any of the books of the Bible. Furthermore, he was the only scientist among the writers. He is also recognized as a great historian, with his excellent accounts of the key events of the most important era in the history of the world.
