DON'T SAY BABY - Shutterfly

or immunity doesn't have time to build up. On the other hand, you don't want to delay your child's vaccinations and get behind schedule because during this time, your child remains unprotected against these serious diseases. No. If your baby misses some doses, it's not necessary to start over. Your

Questions parents ask about vaccinations for babies

Patients have told me quite seriously that they have been relieved of toothache by having it charmed, but, they sadly say, the tooth only rots away in your head.

Don't Have Your Baby in the Dory! | Flanker Press | A

Every new baby is unique and beautiful. Don't be surprised, however, if your baby doesn't look like the babies you see on television commercials or in magazine advertisements. Your baby may have lumps on his head, puffy or crossed eyes, a flat nose, a small chin, dry skin, or a rash. And don't be alarmed if your baby jerks occasionally ...
