What are the characteristics of an HR system designed to develop a capacity for organizational resilience?

To answer this question, we use the model depicted in Fig. 1, adapted from Lepak et al. (2004). This model consists of three components: HR principles, HR policies, and desired employee contributions.

Developing a capacity for organizational resilience

The Problem. One of the improvements that we had to do for one of our clients was the possibility to select multiple invoices from the grid control and then print them all into one PDF, instead of the default action of creating a separate PDF file per invoice.
