The Early English Text Society, present, past and future. Anyone who reads Old and Middle English literary texts will be familiar with the mid-brown volumes of the EETS, with the symbol of Alfred's jewel embossed on the front cover.

The Early English Text Society - IT Services Help Site

The Early English Text Society (EETS) first began to publish in 1864. The purpose was to put into print all early texts in the English language which had only been known through manuscript (handwritten) copies or very rare printed copies. This project was done in conjunction with the production of the Oxford English Dictionary.

Early English Text Society Publications - piereligion.org

The Early English Text Society is a society founded in 1864 to publish early English manuscripts; Old English, Middle English, and a few early Modern English. They continue to publish new volumes in the series; see their website. There are two series in the time period available to Project Gutenberg: the original series, which was the first ...
