climate change, agriculture and food security 2016 in brief the state of food and agriculture

In brief – The State of Food and Agriculture 2016 (SOFA)

A growing body of research is giving us new ways to quantify the harms of bigness and the benefits of local ownership. In this post, we round-up the important studies and provide the evidence that policymakers can use to craft better laws, business owners can use to rally support, and citizens can use to organize their communities.
