The concept of economic development is not considered explicitly. Rather, the discussion is confined to the concept of economic growth. It is frequently argued that these are one and the same concept. One conclusion of the present analysis is that they represent different Ques of concepts. The one, economic growth, has essentially objec-

### **THE CONCEPT OF ECONOMIC GROWTH - Deep Blue**

Economic Growth results in quantitative changes, but economic development brings both quantitative and qualitative changes. Economic growth can be measured in a particular period. As opposed to economic development is a continuous process so that it can be seen in the long run.
