Frequently Asked Questions. I get a LOT of e-mails with queries about various aspects of Electrotherapy, and whilst I don't know the answers to all of them, there are several themes that crop up again and again - so on this page I will try and provide some common answers to the most frequently asked questions.

FAQs - Electrotherapy

Cosmetic electrotherapy is a range of beauty treatments that uses low electric currents passed through the skin to produce several therapeutic effects such as muscle toning in the body and micro-lifting of the face. It is based on electrotherapy, which has been researched and accepted in the field of rehabilitation, though the "scientific and medical communities have tended to sideline or ...
