The term "tipping point" commonly refers to a critical threshold at which a tiny perturbation can qualitatively alter the state or development of a system. Here we introduce the term "tipping element" to describe large-scale components of the Earth system that may pass a tipping point. We critically evaluate potential policy-relevant tipping elements in the climate system under ...

Old English literature or Anglo-Saxon literature, encompasses literature written in Old English, in Anglo-Saxon England from the 7th century to the decades after the Norman Conquest of 1066. "Cædmon's

Hymn", composed in the 7th century, according to Bede, is often considered the oldest extant poem in English, whereas the later poem, The Grave is one of the final poems written in Old English ...

For a French translation, please see here. To start with Docear as smooth as possible, we wrote this manual. It's detailed, it's long, it takes some time to read, but be assured that if you invest this time, you will know how to master one of the most powerful tools to manage your academic literature.

American modernism, much like the modernism movement in general, is a trend of philosophical thought arising from the widespread changes in culture and society in the age of modernity. American modernism is an artistic and cultural movement in the United States beginning at the turn of the 20th century, with a core period between World War I and World War II.
