Engaging Organizational Communication Theory And - tldr.io

To speak of "interpretive organizational theory" or "critical organization theory" or "postmodern organization theory" is not to speak of any one single theory. Rather, each is "along with the postpositive perspective" a general approach to the looking at the problem of organizational communication.

Modern Theories of Organizational Communication

Engaging Organizational Communication Theory and Research: Multiple Perspectives is a book unlike any in the field. Each chapter is written by a prominent scholar who presents a theoretical perspective and discusses how he or she "engages" with it, personally examining what it means to study organizations.
