Hi All, Conceptually I think i have everything i need. I am about to tackle mapping out min/maj/dom 9th chords and arps on the fretboard. Then once i have that (can play them through changes in any key) I plan to start playing around with adding some outside notes to anchor down some personal phrasing (to use at will when improvising)

Biography Early life. Bradley Nowell and his sister, Kellie, were born and raised in the Belmont Shore neighborhood of Long Beach, California to Jim and Nancy Nowell. As a child, he enjoyed surfing and sailing, often participating in boat races. Nowell became a difficult child and was often hyperactive and disruptive; his mother recalled that he was "very emotional, very sensitive, very ...

II V I Lick 1. In this lick, there are two concepts that you can take out and explore further in the practice room: The first is the lower-neighbor tone in bar one (between the notes D-C#-C), which is a common way of extending the length of a single note, by moving to a note one half-step lower and back again.
