gags on you insult pdf

In comedy, a visual gag or sight gag is anything which conveys its humour visually, often without words being used at all. The gag may involve a physical impossibility or an unexpected occurrence. The humor is caused by alternative interpretations of the goings-on. Visual gags are used in magic, plays, and acting on television or movies.

Triumph the Insult Comic Dog is a puppet character puppeteered and voiced by Robert Smigel, best known for mocking celebrities in an Eastern European accent. As his name indicates, Triumph's comedic style is almost exclusively insult comedy. A Montenegrin Mountain Hound, Triumph often puffs a cigar, which usually falls out of his mouth when he starts talking.
