College Composition I: Assignment 3 - Argumentative Essay

This paper reviews the literature on the problem of information overload, with particular reference to business organisations. The literature reveals that although the problem of information overload has existed for many years, in recent years the problem has become more widely recognised and experienced.

The problem of information overload in business

(PDF) An Introduction to Sociolinguistics by Janet Holmes

An intellectual is a person who engages in critical thinking, research, and reflection about society, proposes solutions for its normative problems, and gains authority as a public figure. Coming from the world of culture, either as a creator or as a mediator, the intellectual participates in politics either to defend a concrete proposition or to denounce an injustice, usually by rejecting ...
