Good vs. Bad Product Managers (per Ben Horowitz) October 12, 2010 By Michael Shrivathsan. Follow. ... I was reading one of his recent posts, which linked to a document titled "Good Product Manager, Bad Product Manager". Ben wrote it when he was the Director of Product Management at Netscape. ... Read on for the link to Ben's PDF and my ...

### **Good vs. Bad Product Managers (per Ben Horowitz)**

I also think that this is a subjective article, which, while it tries to list down the differences between good and bad traits of a product manager, fails to strongly separate the bad traits from the good ones by using vague management speak, and in general ends up making product managers feel goody goody about just being product managers.

### **Good Product Manager, Bad Product Manager (1996) [pdf]**

Yet by whatever title or organizational alignment, behind every great product you will find a good product manager, in the sense we describe here. We have yet to see an exception to this rule. The problem with combining the product manager role with another role, such as

### **Behind Every Great Product**

Bad product managers get very confused about the differences amongst delivering value, matching competitive features, pricing, and ubiquity. Good product managers decompose problems. Bad product managers combine all problems into one. Good product managers think about the story they want written by the press.
