Fear of missing out, or FOMO, is "a pervasive apprehension that others might be having rewarding experiences from which one is absent". This social anxiety is characterized by "a desire to stay continually connected with what others are doing". FOMO is also defined as a fear of regret, which may lead to a compulsive concern that one might miss an opportunity for social interaction, a novel ...

Vulnerability . If you carefully read the information on this webpage, you will learn that, although the fear of flying isn't really about the risks inherent in aviation, it is based in the uncomfortable awareness that life is fragile and vulnerable, and that none of us "much like the man in the fictitious opening story" has any real control over it, whether in the air or on the ground.

Content : Using traditional Zen stories and responding to seekers' questions, Osho shows how man must first be grounded in himself before he can fly into the sky of consciousness. Osho takes the reader from subjects as diverse as food, jealousy, businessmen and enlightenment, to how to know if one needs a master, the barriers we create through fear, and gratitude.
