Stockholm syndrome is a condition that causes hostages to develop a psychological alliance with their captors as a survival strategy during captivity. These alliances, resulting from a bond formed between captor and captives during intimate time spent together, are generally considered irrational in light of the danger or risk endured by the victims.

On Wednesday, August 12, a man holding a sign that said "Death to Obama" at a town hall meeting in Maryland was detained and turned over to the Secret Service which will likely soon charge him with threatening the president.. As well they should. I fully and absolutely agree with the Secret Service pursuing this case, since anyone who threatens the president is breaking the law and should ...
