Description : The Irish Socialist Republican Party (ISRP) was a party of seminal importance in the history of radical politics in modern Ireland. The party was the forerunner and ideological springhead for a political tradition that has had a significant impact on radical Irish politics ever since.

### **Irish republicanism and socialism | Download eBook pdf**

The Irish Republican Socialist Party or IRSP is a republican socialist party active in Ireland. It is often referred to as the "political wing" of the Irish National Liberation Army paramilitary group. and claims the legacy of socialist revolutionary James Connolly, who founded the Irish Socialist Republican Party in 1896 and was executed after the Easter Rising of 1916.

Socialist Republic was first published in 1975 by the Revolutionary Marxist Group, who were called the Movement for a Socialist Republic from 1976. When that group merged with People's Democracy in

1978, it became the paper of People's Democracy.

### **Socialist Republic, No. 5 - Movement for a Socialist**

The result was that the Irish developed, as historian Mary Daly puts it, a strong dependence on government assistance for everything from famine relief to land reform. After independence in 1921, the new Irish government took the same paternalistic role, especially under the leadership of Eamon de Valera in the period 1932-48.
