readers, this special edition of The Hiding Place. It is for every person whose soul is threadbare and frazzled, and for every individual who must walk into the jaws of his or her own suffering. And if you have gotten this far, it is for you. Go a little further and you will discover what I did so long ago. . . .

Corrie with an early edition of The Hiding Place.

Place is a meaningful site that combines location, locale, and sense of place. Location refers to an absolute point in space with a specific set of coordinates and measurable distances from other locations. Location refers to the "where" of place. Locale refers to the material setting for

The Power of Place is a well-timed, well-reasoned call for fusing history and the environment to create a more democratic and inclusive interpretation of the places in which most of us live and work. Ms. Hayden greatly strengthens preservation with arguments that give the historic environment a ...
